Dear Sirs,

It is our pleasure to inform whomever would be interested that we are proud of the close cooperation with the

NAVINORD maritime engineering

and personally with **Mr. Piotr Cywiński**, the owner.

For the time of fruitfully cooperation with NAVINORD during the construction and delivery of the Special Purpose Ship 63, sailing vessel build for Vietnamese Navy, the work done by NAVINORD was of highest quality and well appreciated by the shipowner.

We can without reservation recommend NAVINORD maritime engineering and Mr. Piotr Cywiński as a dependable business partner and high quality design and service supporter .
