

KONGSBERG

To whom it may concern

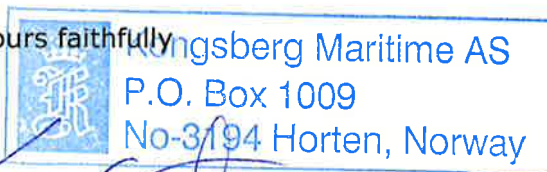

This is to confirm that KONGSBER MARITIME has been successfully cooperating with

**NAVINORD marine electronics
and personally with Piotr Cywinski.**

NAVINORD was found to be extremely helpful and knowledgeable on the fields of shipbuilding market in Poland. Also NAVINORD's expertise in Electronic Training Support Systems and marine electronics devices of Large Sailing Vessel were very helpful.

We definitely can recommend NAVINORD as a solid and reliable partner.

Yours faithfully
